

Isavela Monioudi

Title:	Post-doc Research Fellow
Affiliation:	Department of Marine Sciences, University Hill, Lesvos
Phone:	(+30) 22510 36858
E-mail	✉ imonioudi@marine.aegean.gr

Isavela Monioudi is research fellow in research projects of the Department of Marine Sciences of the University of Aegean, she holds a PhD in Coastal Morphodynamics and she is a teaching assistant of the Coastal Engineering Course (under - and post-graduate).

Has extensive research experience on coastal morphodynamics, estimation of coastal vulnerability due to climatic change, development/application and calibration of coastal morphodynamic models, development/use of tools concerning coastal morphodynamics and engineering and collection/analysis of field data (topographic, meteorological, hydrodynamic and sediment dynamic data). She has also experience in Management/Administrative support of European research projects.

She has taken part in many research projects (e.g. AKTAIA, ISLA, BEACHTOUR) and authored/co-authored more than 20 publications.
